CIRCULAR MEMORANDUM

Re: **Splitting of Purchase Orders (POs)**

Circular Memorandum 03/2016

Recent Audit findings have noted the high occurrence of cost splitting in the Ministry.

Cost Splitting compromise the principle of competitive procurement and is a direct breach of the Procurement Regulation 2010 clause 28 (3) 'Valuing Procurement'.

The attached Ministry of Economy 'Splitting of Contract Policy 2014' is clear on the identification of contract or cost splitting and should be used as a guide on different scenarios which may be encountered in relation to the above.

You are to ensure that you acquaint yourself with this policy to avoid unnecessary confusion on what constitute cost splitting.

Disciplinary action will be instituted if responsible officers continue to defy instructions.

Please bring this Memorandum to the attention of all staff in your respective Divisions and this is to be observed and implemented at all times.
