Dear Sir,

Re: Supplementary Information on the Emergency Flood Recovery Project

Reference is made to your letter of 6 February 2018.

Following your request we hereby submit the supplementary information required:

A) Section 1 – Emergency Flood Recovery Project.

The Loan from ADB was provided as assistance to the Fiji Government in rehabilitating flood damaged public infrastructure in January 2009. A number of contracts were identified as new projects such as bridges and roads to accommodate current and future emergency events. The following works were done

- Rehabilitation of Kings Road from Rakiraki to Tavua
- Re-gravelling of Nadarivatu 6.0km, Monasavu 10.0km.
- Re-gravelling of Koronivia 3.8km, Lokia 3.1km and Toga 4.0km
- Wailevu Land Slip Stabilisation
- Lomaloma Land Slip Stabilisation
- Construction of Rakiraki Bridge

B) Section 2 - Fiji Road Upgrading Project (FRUP) stage III – Standing Committee on Public Accounts

This project is of follows

- Kings Road (29.06km from Korovou to Nayavu)
- Lodon Road (20.09km from Korovou to QVS) was a major component of the FRUP.

Attached listing of all bridges under FRA assets.

Natewa Village Bridge – we are not able to locate on FRA Asset Management system, and have arrange the team to visit the site and will provide update by end of the month.

Yours Sincerely,

Jonathan Moore
