Question

The Public Accounts Committee wishes to convey its appreciation to the AFL team for their presentation on Thursday 24th May, 2018.

Following the Committee's scrutiny of the submission, Members would like to request for information on the asset valuation of Nadi International Airport in 1992 and the re-valued amount.

The Committee would be grateful to receive a response by Friday 1 June 2018.

Response

As stated in our presentation the Erasito Beca report will be independent verified by an accounting firm. Once this process is done we will then send the comparison . Also, a correction the last valuation was done in 2002 and not 1992.
