Re: ISO 9001: 2008 Certification of the MEPIR : 2016

1. Mam, as you aware four (4) of our Strategic Business Units (SBUs) have been successfully certified to the ISO 9001:2008 Quality Management System in 2015. The remaining seven (7) SBUs (IT, ERCC, NEC, CS, Policy, Productivity & ERT) are scheduled for certification in 2016.
2. Further, the Ministry has for the first time been allocated a sum of **\$350,000.00** in the 2016 Budget towards our ISO 9001 Certification which is a major boost. Previously we used to source from within.
3. Since inception of the ISO 9001:2008 Quality journey of the Ministry in 2013 we have been utilising the services of the "Independent European Certification Group" that is credited under UKAS, a world renowned English certification body.
4. For 2016, we intend to maintain our working relation with the "Independent European Certification Group" that is based in Malaysia for the full certification of the Ministry to the ISO 9001:2008 QMS. We have met all the necessary statutory requirement from the Ministry of Finance to engage this external service provider since day one and have been utilising this understanding with the Ministry of Finance since we started in 2013.
5. We requested the "Independent European Certification Group" for their quotation for 2016 and is attached. The total quotation is at **US\$112,000.00** equivalent to **F\$224,000.00**. The detail quotation is attached. This amount is comparable to the 2015 quotation. Moreover, we have broken down the total costs including the VAT charges as in the attached page. The total allocation of **\$350,000.00** is sufficient to cover all our costs (including internal audits) for 2016.
6. Given the significance of the ISO 9001:2008 certification to our operational management reforms and our Productivity portfolio, the attached quotation is submitted for your endorsement.
7. Upon your approval, we will update the certification body so that our remaining certification works begins. This includes the internal audit plans, external audit plans, revision of our SOPS, Quality Manual, and the conduct of internal audits by our internal auditors before the external auditors comes in around the second Quarter.

(c) APSEPIR

Madam, we have \$350,000 to cater for this.

Hope everything goes well at Fiji.

Base on your email, please find the revised quotation which remain the existing scope and additional one new scope for NEC.

We understand that due to budget concern from Ministry of Finance, if the new quotation still over the budget, we will advise this year remain the existing scope and next year only get the new certification for NEC activity.

Looking forward to your reply.

Bula.....May

I spoke to you on the phone earlier today.

Just want to convey that given the recent worst Hurricane that hit Fiji last three weeks our services are affected and a number of our staff are committed in doing rehabilitation work to the general public, away from their workplaces for weeks. We have already been advised by the Ministry of Finance of a budget cut across Ministries and Department.

In this regard, we have decided to cut back from the original intent of the 7 Business Units to only the National Employment Centre for new Certification this year. We withdraw the proposal have these 6 Business Units for certification in 2016:

1. Corporate Services
2. Employment Relations Call Centre
3. Policy and Legal
4. Employment Relations Tribunal
5. Productivity & Wages
6. Information Technology.

PAID

We will maintain the proposed Scope for Registration, but to delete number three (3) from the current registration address i.e Ministry for Employment, Productivity & Industrial Relations Headquarters.

We seek your understanding of our situation and be grateful if you can revise the current "Contract" of 11.01.2016.

Will await your response.

Regards.
