**RESPONSE TO WRITTEN QUESTION 176/2018
Monday 14th May**

Written Question 176/2018:

Can the Minister inform the House whether all projects under Tropical Cyclone Winston Rehabilitation of Roads, Bridges and Jetties amounting to \$13,850,000 have been completed

Madam Speaker, The works under TC Winston Rehab Works is at different stages of delivery. In the immediate aftermath of the cyclone emergency was carried out to provide accessibility and reinstate the network.

Following that, the permanent works to rectify prior issues has been scoped and designs tendered for construction. The delivery of these projects is programmed into the FRA Master Works Programme.
