

Written Question 116/2021

Hon. Lenora Qereqeretabua to ask the Minister Infrastructure and Meteorological Services & Lands and Mineral Resources

– "Can the Minister inform Parliament on the number of individuals or companies holding licences to extract gravel from the Wainadoi River"

As of today, there is only one (1) individual by the name of John Varea, who holds the licence to extract gravel along the Waisulubonu Creek, a tributary to the main Wainadoi River.
