

RESERVE BANK OF FIJI

"Leading Fiji to Economic Success"

Governor

Our Reference: D24/3677

29 August 2024

The Honorable Ratu Rakuita Vakalabure
The Chairperson
Standing Committee on Justice, Law and Human Rights
Parliament of the Republic of Fiji
Government Building,
SUVA

Attention: Mr Jackson Cakacaka

Dear Sir

Re- Invitation for written submission on the National Disaster Risk Management Bill 2024

The Reserve Bank of Fiji ("RBF or the Bank") refers to your letter and email dated 16 August 2024 on the above subject and is grateful for your invitation to provide written submissions.

The RBF understands that the National Disaster Risk Management Bill 2024 ("the Bill") has both direct and indirect implications for the Fiji economy and consequently the Bank and the people of Fiji in the event of a disaster.

The Bank notes that the Bill addresses risks related to National Disaster Risk Management and the Bank has included our written submissions and comments on the relevant sections in Annexure I to this letter.

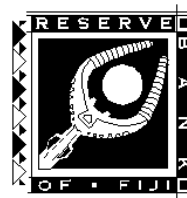

The Bank welcomes and supports the noble intentions of the Bill and also looks forward to receiving your invitation to make oral submissions in the future.

Please do not hesitate to contact Mr James Baledrokadroka, Manager Legal at james@rbf.gov.fj or on 3223 439 should you require further clarification.

Kind regards

A handwritten signature in dark ink, appearing to read 'Ariff Ali'.

Ariff Ali
Governor

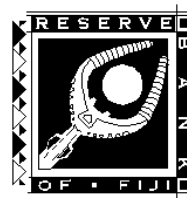

RESERVE BANK OF FIJI

Annexure I

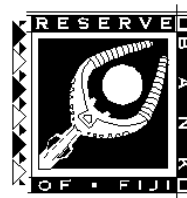

Reserve Bank of Fiji (“RBF or the Bank”) Submissions on National Disaster Risk Management Bill 2024.

Section	Clause	RBF Comments- Submission
2.	<p>“affected” means a person who is affected by a hazardous event either—</p> <p>(a) directly where the person has suffered injury, illness or other health condition, or has been evacuated, displaced, relocated or has suffered direct damage to his or her livelihood, economic, physical, social, cultural and environmental assets; or</p> <p>(b) indirectly where the person has suffered consequences including social, health and psychological consequences over time, other than or in addition to direct effects due to disruption or changes in the economy, critical infrastructure, basic services, commerce or work;</p>	<ul style="list-style-type: none">• Does this include a person who suffers death of family members in a disaster? Is death covered in this section as affected?• “Social” is a very broad concept.
2.	<p>“disaster” means a serious disruption of the functioning of a community or a society at any scale due to a hazardous event or events interacting with conditions of exposure, vulnerability and capacity, leading to human, material, economic or environmental loss and impact and does not include civil unrest, terrorism or war;</p>	<ul style="list-style-type: none">• It appears that “Cyber” event is covered in this definition but the way the act is worded overall, it seems not to cover it. It’s more of covering cyclone/flood type of event.
2.	<p>“International Actor” means any foreign state, organisation or person;</p>	<p>Definition is noted to be short for international actor when for “Assistant” has further explanations as follows – “Assisting International Actor” means any foreign state, entity, organisation or person responding to a disaster in Fiji or transiting through the territory of Fiji in order to respond to a disaster in another country.</p>

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
2.	“transport” means land, air or water vehicles operated by or on behalf of an Assisting Actor to transport personnel, goods and equipment across an international border for the purpose of providing disaster relief or initial recovery assistance;	<ul style="list-style-type: none"> Since it states international border, land is not appropriate for Fiji.
2.	<p>“vulnerable” in relation to an individual or a group means an individual or group of people at heightened risks and includes—</p> <p>(a) the disabled, women, children, youth, elderly, a person living in poverty, a person of diverse sexual orientation and gender identity and expression and sex characteristic, and the landless who are most severely affected due to pre-existing exclusion; or</p> <p>(b) a group that has the propensity or predisposition to be adversely affected, such as a household or community, and their situation, that influences the group’s capacity to anticipate, cope with, resist and recover from adverse pressure resulting from a disaster; and</p>	<ul style="list-style-type: none"> Suggest to remove “youth” from the definition as it will include between 15 – 35 years (from Ministry of youths page), a high proportion of population. This age category is not necessarily vulnerable as most would be working by the age of 23 and would be in the best physical phase of their lives to protect themselves in a disaster. Suggest to remove the LGBTQ community as they are not necessarily vulnerable in a disaster context – they would be able to take actions and protect themselves (as there is no physical disability) just like any other adults. Suggest to remove “women” as well. Vulnerable should really be those who are limited physically e.g. children, elderly etc.
6	<p>The Council comprises the following members—</p> <p>(a) the Minister as chairperson;</p> <p>(b) the Permanent Secretary as deputy chairperson;</p> <p>(c) all permanent secretaries; and</p> <p>(d) other members as set out in Schedule 1.</p> <p>(3) The Director of NDRMO is the Secretary of the Council.</p> <p>Extract from Schedule 1 as follows:</p>	<ul style="list-style-type: none"> Given that the functions of the council includes mitigation and preparedness, rehabilitation post disaster etc. it is important that Water Authority and EFL reps are in this as well, they are responsible for essential items. Consistency – In some places “national controller” is used and some places PS.

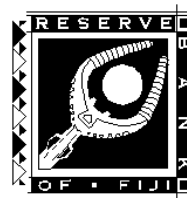

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
	<p>(3) The Director of NDRMO is the Secretary of the Council The other members of the Council are as follows—</p> <p>(a) Solicitor General;</p> <p>(b) Commander, Republic of Fiji Military Forces;</p> <p>(c) Commissioner of Police;</p> <p>(d) Director, Meteorological and Hydrological Services;</p> <p>(e) Director-General, Fiji Red Cross Society;</p> <p>(f) Director, Fiji Council of Social Services; and</p> <p>(g) Chief Executive Officer, National Fire Authority.</p>	<ul style="list-style-type: none"> For Director of NDMO, “national coordinator” is used in some places - consistency to be maintained.
8.	<p><i>Meetings of Council</i></p> <p>(3) A Council member must attend all Council meetings and may not nominate a person to attend on his or her behalf unless he or she has prior approval of the chairperson.</p>	<ul style="list-style-type: none"> We understand that it’s compulsory for all to attend however in the instance of someone not present, the meeting may not commence. Please consider requiring a quorum for the meeting.
16.	<p><i>Disaster training</i></p> <p>16.—(1) NDRMO must implement training programmes for Government agencies and the public for—</p> <p>(a) the coordination of a multiple hazard approach;</p> <p>(b) multiple hazard early action early warning system;</p> <p>(c) disaster risk reduction; and</p> <p>(d) disaster risk management.</p>	<ul style="list-style-type: none"> Training should be limited to Government agencies or maybe other partners such as NGOs ETC, not public. For Public it’s the awareness activities regarding the same as outlined in Section 15.
	PART 2—NATIONAL ADMINISTRATION	Membership of respective Disaster Risk Management Council and Committees

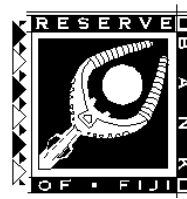

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
6.	<p><i>Division 1— Disaster Risk Governance</i></p> <p><i>Subdivision 1— National Disaster Risk Management Council</i></p> <p><i>National Disaster Risk Management Council</i></p> <p>6.—(1) The National Disaster Management Council established under section 4 of the Natural Disaster Management Act 1998 is continued under this Act as the National Disaster Risk Management Council.</p> <p>(2) The Council comprises the following members— (a) the Minister as chairperson;</p> <p>(b) the Permanent Secretary as deputy chairperson;</p> <p>(c) all permanent secretaries; and</p> <p>(d) other members as set out in Schedule 1.</p> <p>The Director of NDRMO is the Secretary of the Council</p>	<p>The Governance Structure could be further simplified through the demarcation and definition of roles and responsibilities.</p> <ul style="list-style-type: none"> The RBF suggests that the Council and Committee may consider including the RBF as a Member because of the important role the RBF plays in undertaking its core mandate of: <ul style="list-style-type: none"> (a) to regulate the issue of currency, and the supply, availability and international exchange of money; (b) to promote monetary and financial stability; (c) to promote a sound financial structure; and (d) to foster credit and exchange conditions conducive to the orderly and balanced economic development of the country.
10.	<p><i>Subdivision 2— Disaster Risk Reduction Committee</i></p> <p><i>Disaster Risk Reduction Committee</i></p> <p>10.—(1) This section establishes the Disaster Risk Reduction Committee.</p> <p>(2) The Disaster Risk Reduction Committee consists of—</p> <p>(a) the National Controller as the chairperson; and (b) other members as listed in Schedule 2.</p> <p><i>Subdivision 3—Emergency Committee</i></p>	<ul style="list-style-type: none"> This mandate is at risk during any disaster or emergency and the RBF may be required to advise on the effect on the economy and financial stability. Lead Agency - which coordinates and oversees the whole process and acts as the secretariat for the national disaster risk assessment. Multi-stakeholder coordination body—The Implementation of the national disaster risk assessment is carried out by a

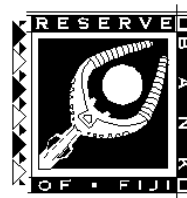

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
17,	<p><i>Emergency Committee</i></p> <p>17.—(1) The Emergency Committee established under section 7 of the Natural Disaster Management Act 1998 is continued under this Act.</p> <p>(2) The Emergency Committee consists of—</p> <p>(a) the National Controller as the chairperson;</p> <p>(b) the National Coordinator; and</p> <p>(c) other members as listed in Schedule 3.</p>	<p>specially established coordination body that includes various stakeholders (such as risk owners) and other actors who will use the assessment's outputs for their disaster risk management measures.</p> <ul style="list-style-type: none"> • Technical Committee - A multisectoral technical committee provides scientific advice throughout the process, secures sufficient contributions from experts, and ensures an adequate level of scientific quality of the risk assessment. • This committee has to ensure cooperation on the interface between science and policy. It should consist of a group of recognized experts with diverse backgrounds who understand both the technical and the policy implications of national risk assessments and how they are used in disaster risk management • Given the nation's security and the level of authority required to mobilize nationwide support, the PM or PM's office warrants inclusion in the Council. • The Ministry of Education or teachers, given their resources – personnel, evacuation centers, and logistics nationwide should be represented in provincial and district committees

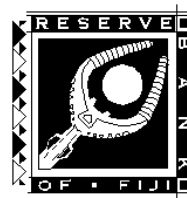

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
		<p>for effective awareness programs and efficient implementation policies.</p> <ul style="list-style-type: none">• The private sector also needs to be represented in the various committees, given its contribution and the potential impact of the disaster on the nation's economy. Hence, the inclusion of the Fiji Commerce and Employers Federation, etc. <p>It is important that the Reserve Bank of Fiji be included in these committees to ensure it carries out its fiduciary duty of conducting monetary policy to foster sustainable and inclusive economic growth and provide financial stability.</p>
38.	<p><i>Application to be recognised Humanitarian Actor</i></p> <p>38.—(1) Any person intending to register as a Humanitarian Actor must apply to the National Coordinator in the prescribed form.</p> <p>(2) On receipt of an application under this section, the National Coordinator must consider whether the application satisfies the prescribed requirements and—</p> <p>(a) grant the application with or without conditions and enter the name of the Humanitarian Actor in the Humanitarian Actors Registry;</p> <p>(b) reject the application; or</p> <p>(c) request for more information.</p>	<ul style="list-style-type: none">• “or” missing after 2 (a)?

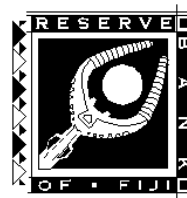

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
	(3) A decision under this section must be communicated to the applicant in writing.	
46.	<p><i>Functions of Divisional Disaster Risk Management Officer</i></p> <p>46.—(1) The functions of the Divisional Disaster Risk Management Officer are to —</p> <p>(a) manage, coordinate and supervise divisional implementation of the Council’s policies;</p> <p>(b) manage the duties and budgetary allocation and coordinate the functions of NDRMO at the national and subnational levels in disaster risk management, disaster risk reduction, disaster management and coordination of a multiple hazard approach and multiple hazard early warning and early action system;</p> <p>(c) liaise with the National Coordinator in advising the Divisional Commissioners on all matters pertaining to disaster risk management, disaster risk reduction, disaster management and coordination of a multiple hazard approach and multiple hazard early warning and early action system;</p> <p>(d) coordinate the planning and execution of divisional activities related to disaster risk management, disaster risk reduction, disaster management and coordination of a multiple hazard approach and multiple hazard early warning and early action system;</p> <p>(e) consult with the National Coordinator and the Divisional Commissioners to ensure there is readily available adequate personnel, material and services to carry out disaster risk management, disaster risk reduction, disaster management and coordination of a multiple hazard approach and multiple hazard early warning and early action system;</p>	<ul style="list-style-type: none"> • There are too many references to “national coordinator” and since many divisions can have admin issues for “national coordinator.” • Suggesting to change the reference in some places from “national coordinator” i.e. the director of NDRMO, to NDRMO in general so that liaison can be with staff of NDRMO instead. • National may not be relevant in this case.

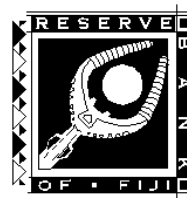

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
	<p>(f) support the Divisional Commissioners on the direction and control of personnel, material and services available and at his or her disposal for disaster risk management, disaster risk reduction, disaster management and coordination of a multiple hazard approach and multiple hazard early warning and early action system.</p> <p>(g) in consultation with the National Coordinator and the Divisional Commissioners liaise with, advise and coordinate with the subnational Disaster Risk Management committees at all levels on disaster risk management, disaster risk reduction, disaster management and coordination of a multiple hazard approach and multiple hazard early warning and early action system;</p> <p>(h) provide information and reports to the National Coordinator to support subnational coordination of activities of the Disaster Service Liaison Officers, Government agencies and clusters on disaster risk management, disaster risk reduction, disaster management and coordination of a multiple hazard approach and multiple hazard early warning and early action system;</p> <p>(i) advise and assist all Government agencies, non-government organisations and other agencies on matters relating to disaster risk management, disaster risk reduction, disaster management and coordination of a multiple hazard approach and multiple hazard early warning and early action system, at the divisional level;</p> <p>(j) consult with the National Coordinator to support the preparation and revision of the National Disaster Risk Management Plan, subnational Disaster Risk Management Plans, subnational Disaster Risk Management Support Plans and subnational Hazard Support Plans;</p>	<p>• We suggest to remove “(i)” as it may cause issues if all division officers advise and assist all different agencies directly. It should be all through NDRMO.</p>

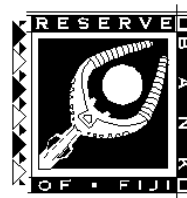

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
	<p>(k) consult with the National Coordinator to support the review of and strengthen the subnational Agency Disaster Risk Management Support Plans;</p> <p>(l) consult with the National Coordinator and the Divisional Commissioners to manage the acquisition and distribution of international assistance provided in response to an emergency situation; and</p> <p>(m) perform any other function and duty as directed by the National Controller on the advice of the National Coordinator. 27</p>	
47.	<p><i>Division 2—Subnational Disaster Risk Management Committees</i></p> <p><i>Divisional Disaster Risk Management Committee</i></p>	<ul style="list-style-type: none"> • Wording – “subnational” and “divisional” difference?? Its used interchangeably in Section 48.
48.	<p><i>Functions of Divisional Disaster Risk Management Committee</i></p> <p>48. A Divisional Disaster Risk Management Committee must coordinate with the National Coordinator to—</p> <p>(a) implement of the Councils policies in respect to disaster risk management, disaster risk reduction, disaster management, coordination of a multiple hazard approach and multiple hazard early warning and early action system, at the subnational level;</p> <p>(b) support NRDMO in conducting community based disaster risk management training capacity building and awareness for subnational Disaster Risk Management committees;</p>	<ul style="list-style-type: none"> • Review wording – errors as highlighted
59.	<p><i>Annual report</i></p> <p>59.—(1) NDRMO must prepare an annual report on the activities and expenditure of the Fund, including financial statements for the Fund, and</p>	<ul style="list-style-type: none"> • 6 months is unreasonable – change to 3 months. • (2) what about submission to council?

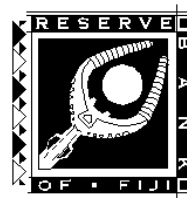

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
	submit the report to Cabinet within 6 months from the end of the financial year to which the report relates. (2) The Minister must as soon as practicable table a copy of the annual report in Parliament following submission to Cabinet.	
62.	<i>Agencies responsible for warnings</i> 62. An agency that is responsible for monitoring a hazard or the assessment of the threat of a hazard developing into a disaster under section 91 must have a mandate to address a specific hazard or multiple hazards, and includes the agencies listed in Schedule 8.	<ul style="list-style-type: none">• Schedule 8 does not include EFL and Water Authority of Fiji which should issue warning on potential water/electricity cuts.
66.	<i>Requirement for evacuation centres</i> 66. —(1) The National Coordinator must, in liaison with the relevant Ministries, prepare an assessment criteria for the suitability of— (a) a building as an evacuation centre; or (b) a site for building a purpose-built evacuation centre. (2) In assessing the suitability of a building to be used as an evacuation centre, construction of a purpose-built evacuation centre or determination of a site for building a purpose-built evacuation centre, the following must be considered— (a) safe and accessible location; (b) structural requirements— (i) universal build for purpose built evacuation centres; and (ii) retrofitting of existing buildings for reasonable access;	<ul style="list-style-type: none">• Cooking facilities may not be possible at all locations – requirement for this is unreasonable.

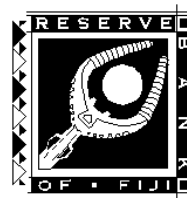

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
	<p>(c) capacity of building to be appropriate for the number of evacuees it is intended for;</p> <p>(d) adequate water, sanitation and hygiene;</p> <p>(e) safety and protection for evacuees;</p> <p>(f) cooking facilities;</p> <p>(g) electrical installation and emergency power supply;</p> <p>(h) communication; and</p> <p>(i) any other requirement as the Council may set.</p>	
68.	<p><i>National Disaster Risk Management Plan</i></p> <p>68. The National Coordinator must formulate a National Disaster Risk Management Plan, in consultation with—</p> <p>(a) the Council;</p> <p>(b) agencies;</p> <p>(c) Fiji Cluster;</p> <p>(d) representatives of vulnerable groups;</p> <p>(e) non-government organisations;</p> <p>(f) the private sector; and</p> <p>(g) other relevant agencies and stakeholders.</p>	<ul style="list-style-type: none"> • Definition of Fiji cluster?
70.	<p><i>Review of National Disaster Risk Management Plan</i></p> <p>70. A review of the National Disaster Risk Management Plan—</p> <p>(a) must be carried out every 3 years; and</p> <p>(b) as the Council directs.</p>	<ul style="list-style-type: none"> • Maybe it should be “or” instead of “and”

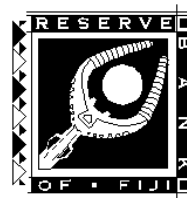

RESERVE BANK OF FIJI

Section	Clause	RBF Comments- Submission
71.	<i>Agency Disaster Risk Management Plan</i> 71. —(1) An agency that is responsible for the management of a risk or hazard must— (a) prepare a detailed Disaster Risk Management Plan relating to the risk or hazard it manages; and (b) submit the Disaster Risk Management Plan to the Council for vetting and adoption. (2) The agencies responsible for developing a Disaster Risk Management Plan for specific hazards are set out in Schedule 9.	<ul style="list-style-type: none">Schedule 9 does not include 2 key players – EFL, Water Authority of Fiji.
81.	<i>National Disaster Risk Information System</i> 81. —(1) The National Controller must establish a Disaster Risk Management Information System, in consultation with relevant agencies. (2) The National Coordinator must keep a registry of the users of the National Disaster Risk Information System.	<ul style="list-style-type: none">For this section and next few sections.... References to National controller and national coordinator – there are a lot of references to the person. Suggesting instead to mention the office not the person.
84.	<i>Access and use of National Disaster Risk Information System</i> 84. A person may not transmit to, receive information, or view information from the National Disaster Risk Information System unless that person is an individual who is— (a) registered by the National Controller as a user of the system; or (b) has been given written permission by the National Controller to receive or view information.	<ul style="list-style-type: none">In section 81 it's the coordinator who is to keep register, however this section requires person to be registered by national controller.We suggest responsibility should be on office rather than person.

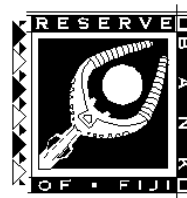

RESERVE BANK OF FIJI
