## Recertification of Recipients

# Child Welfare Act Cases

A total of **1,727 cases** were reported in the financial year **2020-2021**.

Compared to the same period in the last financial year (2019-2020), a total of 1,478 cases were reported. There was an increase in the reporting of child welfare cases.

## DEMOGRAPHICS

Majority of the child victims were females (924 cases) compared to males (803 cases).

Majority of the children were between the ages of 0-5. This was the same for the same period last year.

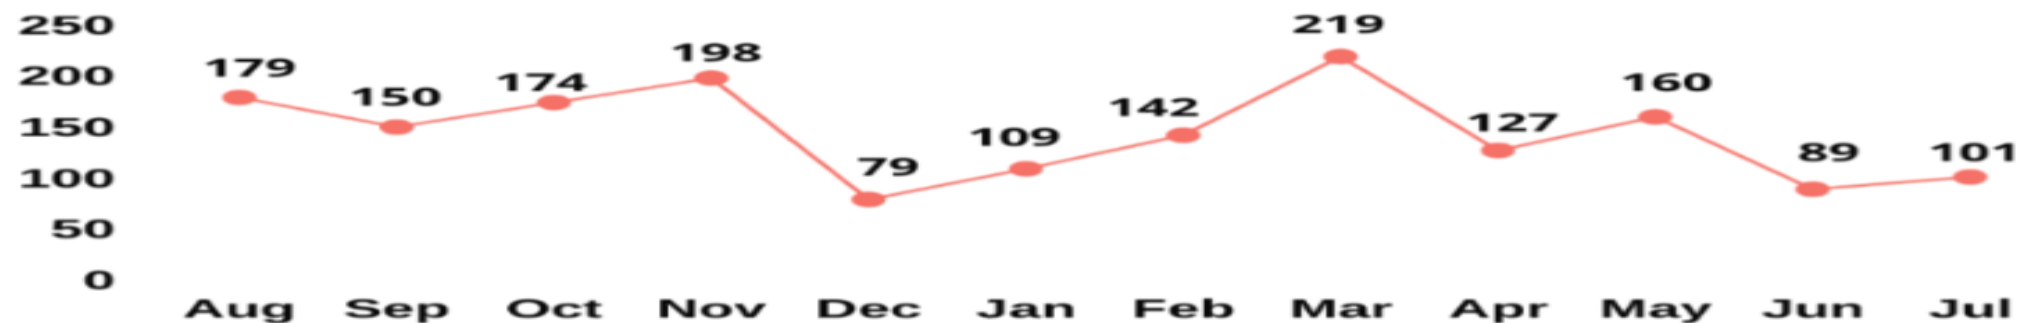

Most of the children reported to be 0-5 years old, were victims of child neglect (155 cases) and physical abuse (96 cases).

The youngest victims reported were 1 day old (2 cases) and the oldest victims reported were 17 years old (126 cases).

# REPORTED CWA CASES (2020-2021)

Source: CWA National Database

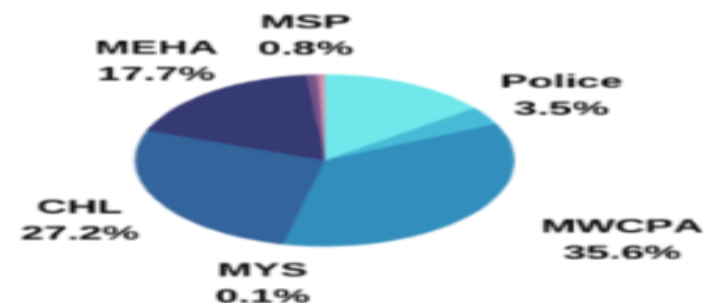

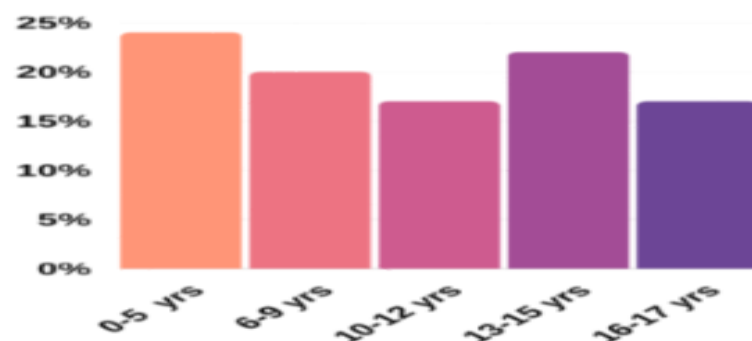

**1,727  
cases**

803 males

924 females

**70%**

70% of the cases were of the following cases:

- *Neglect (560 cases)*
- *Physical Abuse (468 cases)*
- *Sexual Abuse (221 cases)*

54% of the perpetrators were an immediate family member of the child victim. In most cases, the perpetrator was one or both parents of the child.

# Child Protection in Emergencies

## TC YASA

The Child Services Unit worked in partnership with UNICEF Pacific in response to TC Yasa (Category 5). With the provision of 38 recreational kits, a total of 24 welfare officers were deployed to Vanua Levu in the provinces of Cakaudrove and Macuata. The officers were deployed to set up child friendly spaces (CFS), provide psychosocial support, psychological first aid, train community volunteers, and facilitate awareness sessions in affected communities.

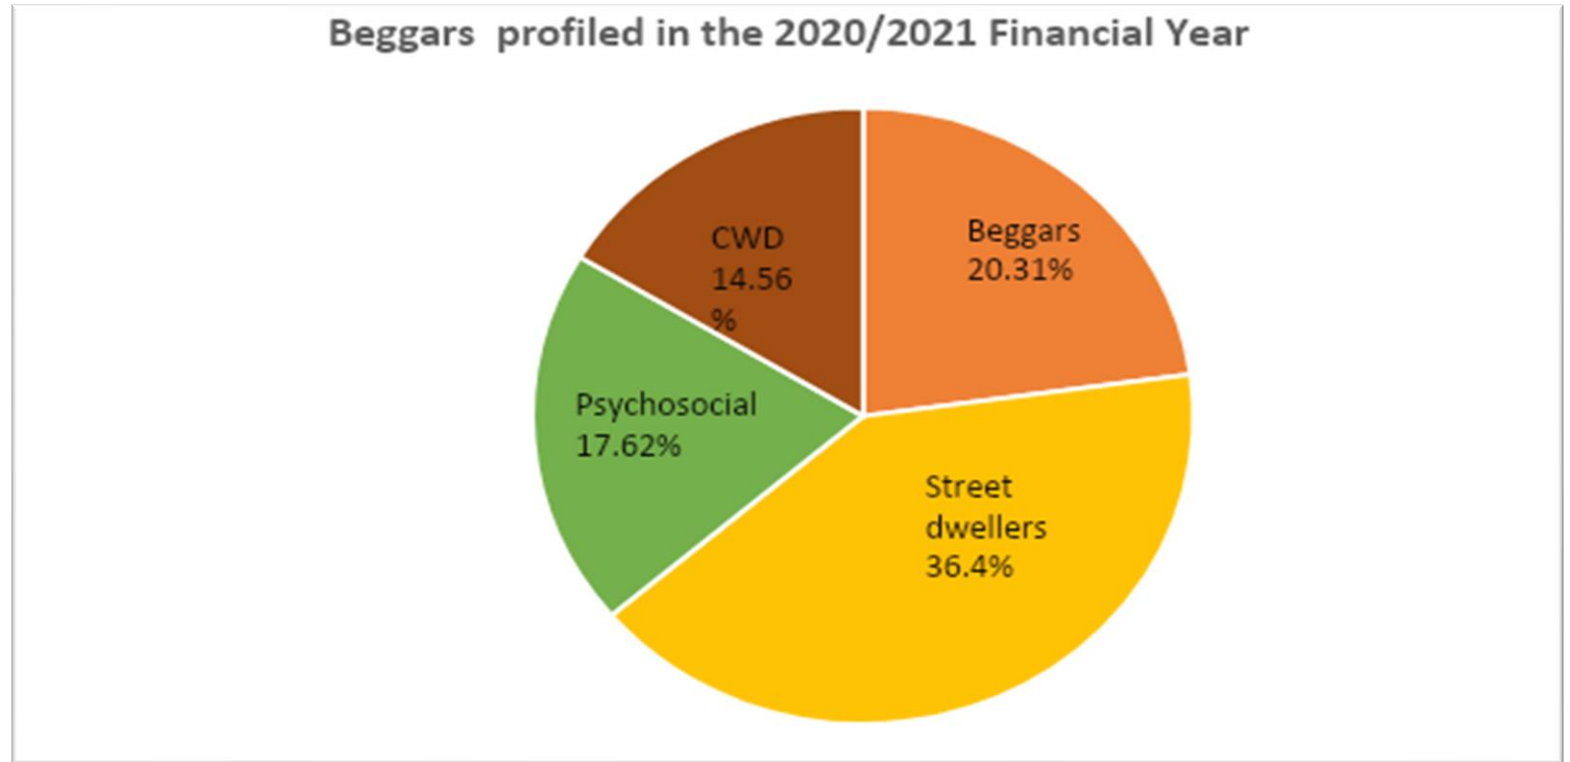

Officers were divided into 8 teams visiting 38 communities in the duration of 5 days. A total of 1,761 children were part of the CFS program set up across the 38 communities. Of the 1,761 children, 965 were in Cakaudrove and 796 in Macuata

Viti Spinal Association	\$88,200
Psychiatric Survivors Association	\$24,946
<b>Total</b>	<b>\$382,856.64</b>

# Profiling of Street Dwellers

- The 2020-2021 Financial year saw two major operations with the Fiji Police Force and other stakeholders namely 'Operation Samaka' and 'Operation Lesu I Vale' which had targeted the growing numbers of those on the streets.
- The outcome of joint efforts by the Ministry and other stakeholders saw a significant decrease in street dwellers sleeping on the streets where those profiled were factored into either being re-integrated back into their communities or were given shelter that was provided by faith-based organizations such as Ark of Hope.

## Upgrade of the Golden Age Home Labasa

The Golden Age Home Labasa was the first of the 3 Aged Care Homes administered by the State to be provided an allocated budget for its upgrade. The project has a total cost of \$4.4 Million. Major construction works continued in 2020 -2021

Grant for the Procurement of Special Bus for Golden Age  
Home Lautoka

# Grants to Women Institution

Institutions	Amounts being received
Homes of Hope	\$80,000
Life Bread	\$80,000
Fiji Muslim League	\$80,000
Ba Women's Forum	\$80,000

# Department of Foreign Affairs and Trade (DFAT) Cash Top Up Monitoring

The Australian Government assisted Social Welfare recipients in the areas affected by Tropical Cyclone Harold with a Cash Top Up of \$100 per month.

The Ministry had provided logistical support to the Team from DFAT in the Public Diplomacy exercise through the collation of impact stories on randomly selected beneficiaries of Poverty Benefit Scheme, Disability Allowance, and Child Protection Allowance in the Provinces of Tailevu, Nadroga/Navosa and Nakasi/Nausori.

## World Food Programme (WFP) Post Distribution Monitoring

- A survey was conducted in partnership with the United Nations World Food Programme (WFP) in the 28 Tropical Cyclone Harold affected areas that were given a cash top up assistance of \$100 in November 2020. The survey was conducted using the KOBO Toolbox , a data collection tool coordinated by WFP which had assisted in the monitoring exercise through designing questionnaires which facilitated the face-to-face interviews with randomly selected recipients from Tailevu North, Nausori, Nakasi, Beqa, Malolo, Vatulele, Nadroga, Yasawa, Kadavu and Moala in the Lau Group. At the conclusion of the survey, a total of 396 recipients were successfully interviewed surpassing the WFP quota of 375 recipients.

# Vaccination Campaign

---

- After COVID Restrictions was announced by Government, the REACH platform had successfully supported the Ministry of Health and Medical Services in the COVID-19 Vaccination campaign. The three REACH buses had offered a walk – in service to Fijians in the urban and peri – urban areas, who had faced difficulties in commuting to nearby MOH fixed vaccination facilities

# Challenges faced

---

- COVID had impacted the Ministry deliverables
- Funds were diverted to support in the recovery
- Staff Turnover
- Ministry Offices need maintenance
- Need to make Offices client-friendly in terms of accessibility
