SAVUSAVU TOWN COUNCIL

PRESENTATION ON 2014 & 2015 AUDITED ANNUAL REPORT

STANDING COMMITTEE ON FOREIGN AFFAIRS AND DEFENCE

SOME OF THE PROJECTS THAT WERE UNDERTAKEN BACK THEN ARE AS FOLLOWS;

1. New Fish Market Building & Extension to the Existing market building

- Due to increase in demand for trading space within the market, the Council did the extension to the existing market building and also constructed a new Fish Market Building to accommodate 26 Freezer spaces and areas for the vegetable and root crops. The construction works were carried out by the Local Contractor.

New Fish Market Building successfully completed in 2014 funded by Ministry of Local Government

Current state of the Fish Market Building

NEW EXTENSION TO THE FISH MARKET BUILDING

- This extension project was successfully completed in 2015.

Current Status

2. Foreshore Beautification Projects (Construction of 2 x Sitting Bures)

- This project was undertaken in partnership with Council & the Festival of the Friendly North Committee.

Above is one of Sitting Bures which was constructed back in 2014 along the foreshore area.

Current Status

3. Construction of New Food Parcel Shelter

- Due to the demands from the food parcel seller's the Council has constructed a Food Parcel Shelter to accommodate 36 vendors. This vendors are mostly from the Peri-urban & from Rural areas.

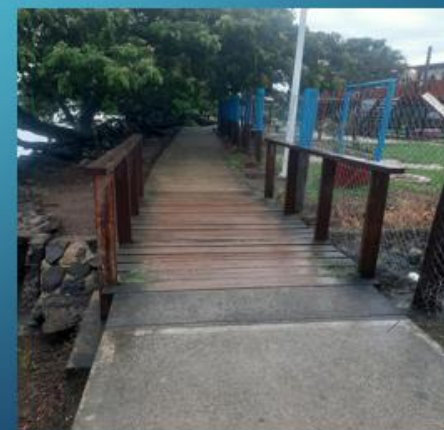

Current Status

4. 600 meters long Health Board Work (Concrete Footpath along the foreshore)

- This project was undertaken by Savusavu Tourism Association (STA) & Savusavu Town Council in 2015.

Back in 2015

Current Status

5. Installation of Solar & Wind Turbine Street lights

- This were installed along the foreshore area in 2015

CHALLENGES & FUTURE OUTLOOK

1. Some of the Challenges which the Council currently faces are as follows;

- Town Rates Collection
- Improper Landfill (Solid Waste Management)
- Sewerage Treatment Plant (Waste Water Treatment)
- Airports
- Drugs
- Service Lane
- Parking Spaces/Parking Meters

2. Future Outlooks;

- Extension of Town Boundary
- Re-development of Ratu Ganilau Park into sporting facilities
- Installation of CCTV Cameras within main CBD area.
- NaVualiku Project with World Bank (Tourism Master Plan)
- Town Beauticians
- Coastal Protection
