## **The Auditor-General and Office of the Auditor-General – Republic of Fiji**

The Office of the Auditor-General is established as an Independent Office by the Constitution of Republic of Fiji and assist the Auditor-General to carry out audits on behalf of Parliament.

At least once every year, the Auditor-General must report to Parliament on the audits conducted and on other significant matters the Auditor-General wishes to bring to the attention of Parliament.

This report satisfies these requirements.

The Office of the Auditor-General notes the impact of its reports to Parliament on ordinary citizens and strives for accurate and high-quality reporting including recommendations which are not only value-adding to the Entity subject to audit but its stakeholders as well.

## AUDITOR-GENERAL'S FOREWORD

I am pleased to present the report on Statutory Authorities, Independent Bodies and Commissions for financial audits completed from 1 August 2023 to 28 January 2025 following the last report to Parliament (Parliamentary Paper No. 114 of 2023).

Section 152 of the 2013 Constitution and the relevant legislation governing the Statutory Authorities, Independent Bodies, and Commissions provide the mandate for the Auditor-General to audit the accounts of the Entities.

### Report

This report contains summaries of assessments of the quality and timeliness of financial reporting of 21 Statutory Authorities, 1 Independent Body and 7 Commissions, the type of audit opinions issued on 68 financial statements and the key reasons for such opinions, and significant issues identified from the audits with high-level recommendations aimed to strengthen financial reporting, governance, and internal controls.

### Status of the Audits

The progress of audits of Statutory Authorities, Independent Bodies and Commissions are discussed in [Section 1.3](#).

A total of 86 draft financial statements were received during the period. As at 28 January 2025, the audit opinions on 68 or 79% of the financial statements received have been issued while the audits of 13 financial statements were in progress. The audits of the remaining 5 draft financial statements, received in the 2<sup>nd</sup> quarter of the current financial year, will commence from February 2025.

The backlog audits of 5 entities were updated while seven Statutory Authorities and Commissions remained in backlog by more than five years, as draft financial statements were not submitted on time and on an annual basis. Resourcing the audits of multiple draft financial statements submitted together continue to be a challenge that is currently supported through outsourcing. Efforts are being made to bring these backlog audits up to date.

The Office of the Auditor-General is strongly committed to fulfilling the mandate of the Auditor General and will continue to work closely with the Statutory Authorities, Independent Bodies and Commissions to update the audits that are in backlog.

I commend the entities that have made the efforts to improve financial reporting and strengthen governance and internal controls.

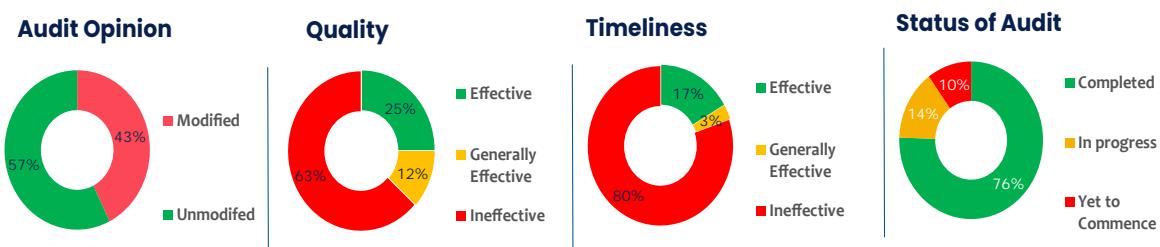

Finau Seru Nagera  
**AUDITOR-GENERAL**

## EXECUTIVE SUMMARY

This report includes the audit results of 68 financial statements for 29 entities audited as at 28 January 2025.

### AUDIT RESULTS

#### Audit Opinion

There were 39 financial statements issued with unmodified audit opinions. Of the 29 financial statements with modified audit opinions, 14 financial statements for 5 entities received Disclaimers of Opinion as the Auditor General was unable to obtain sufficient and appropriate evidence on which to base the audit opinions. Refer to Sections 1.2 and 2.0 for details.

#### Quality and Timeliness of Financial Statements

The quality and timeliness of financial statements varied by entities. While there were entities that had consistently maintained timely and quality financial statements, more than 60% were assessed as unsatisfactory. Refer to [Section 2.0](#) for details.

#### Status of the Audits

The audits of 68 (79%) financial statements were completed from a total of 86 draft financial statements received as at 28 January 2025. Audits of 13 financial statements were in progress while 5 had not commenced. A total of 77 draft financial statements are pending to be submitted for audit including the resubmissions for poor quality draft financial statements.

#### Common Audit Findings

Other areas that require immediate attention by those charged with governance for priority and prompt action for resolution include significant delays in submission of draft financial statements for audit, non-compliance with the accounting standards, limitation of scope due to insufficient supporting documents, poor records management, poor assets management, lack of documentation and absence of proper reconciliations for cash, debtors, VAT, rates, and payroll.

#### Audit Conclusion

The matters highlighted in the Auditors' Reports and the common significant audit findings discussed in [Section 3.0](#) should be given urgent attention for resolution.

#### Recommendation

Recommendations to the various audit issues highlighted in the report are detailed in [Section 4.0](#).

## 1.0 Introduction

The Management and Directors of Statutory Authorities, Independent Bodies and Commissions are responsible for the preparation and fair presentation of the financial statements in accordance with the applicable financial reporting framework. This responsibility includes designing, implementing, and maintaining internal controls relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error, selecting appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

The Auditor-General is responsible, on behalf of Parliament, for the audits of all State-owned Entities except those exempted by law.

The Auditor-General's responsibility is to express an opinion on the financial statements based on the audit in accordance with the International Standards on Auditing (ISA). Those standards require the Auditor-General to comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

It is important to note that the deficiencies detailed in this report were identified during the audits and may have been subsequently resolved by the entities. These have been included in this report as they impacted the overall system of control of the entities audited.

This report includes the audit results of 68 financial statements for 29 entities as follows:

| 1. Fijian Elections Office                         | 2021 & 2022  |

The audits of 5 entities were updated while the audits of a few entities have been extensively delayed primarily due to the non-submission of draft financial statements annually to the Auditor-General.

## 1.1 Legislative Framework

The following legislation establishes the financial accountability frameworks and legislative timeframes to complete the audits of financial statements for statutory authorities, independent bodies, and commissions.

| Legislative Framework  | Legislative Timeframe   |
|--|---|
| <ul style="list-style-type: none"> <li>• Legislation establishing Entity and related regulations</li> <li>• Finance Management Act 2004</li> </ul> | <ul style="list-style-type: none"> <li>• 3 to 6 months following the end of financial year</li> <li>• Not specified/as soon as practicable</li> </ul> |

The respective legislative frameworks indicate the minimum requirements for financial accountability and reporting such as:

- Good governance
- Financial management and performance
- Entity's performance against corporate intent or plan
- Financial reporting
- Annual reports

Each year, the entities are required by the legislation governing their operations to submit an annual report containing the audited financial statements and the Auditor's Report which are tabled in Parliament by the Minister responsible for the Entity.

The audited financial statements are used by a broad range of users and the Auditor-General's audit opinions on these financial statements provide assurance to the users that the financial statements are accurate and can be relied upon.

## 1.2 Types of Audit Opinions

In accordance with International Standards on Auditing, the Auditor-General expresses an **unmodified opinion** when the financial statements are prepared in accordance with the relevant financial reporting framework and legislative requirements. This type of opinion indicates that material misstatements, individually or in aggregate, were not noted in our audit, which would affect the financial statements of an Entity.

### **Modified Opinions:**

A **qualified opinion** is issued when having obtained sufficient appropriate audit evidence, we conclude that misstatements, individually or in the aggregate, are material, but not pervasive, to the financial statements; or we are unable to obtain sufficient appropriate audit evidence on which to base the opinion, but the auditor concludes that the possible effects on the financial statements of undetected misstatements, if any, could be material but not pervasive.

An **adverse opinion** is expressed when, having obtained sufficient appropriate audit evidence, conclude that misstatements, individually or in aggregate, are both material and pervasive to the financial statements.

A **disclaimer of opinion** is issued when sufficient appropriate audit evidence is unable to be obtained on which to base the opinion, and we conclude that the possible effects on the financial statements of undetected misstatements, if any, could be both material and pervasive.

### **1.3 Progress of Audits**

Audits of certain Statutory Authorities, Independent Bodies and Commissions have not been completed on a timely basis and primarily due to the following:

- Delay in submission or incomplete draft financial statements submitted for audits.
- Entities opting to address issues raised in the draft Auditors' Reports and resubmitting amended financial statements for audit.
- Draft financial statements not submitted for audit.

Below is a summary of the status of audits as at 28 January 2025:

| Entity                               | Draft Financial Statements Received | Audits Completed | Audits in Progress as at 28 January 2025 | Audits Yet to Commence as at 28 January 2025 | Draft Financial Statements not submitted for audit |

A total of 77 draft financial statements are yet to be submitted to the Auditor-General for audit.

## 2.0 Financial Reporting

Sound financial management requires the preparation of accurate and timely financial statements. They bring accountability and transparency to the way public resources are utilized by the Entities. We have assessed financial reporting for the Entities by the following aspects:

- quality of financial reporting
- timeliness of financial reporting

### 2.1 Quality of financial reporting

We assessed the quality of the financial statements by the following indicators:

- type of audit opinion issued; and
- significant matters reported to management and those charged with governance.

As shown in the Table below, we assessed the quality of financial reporting by the type of audit opinion issued on the financial statements and on the impact and number of significant issues reported to management and those charged with the governance.

| Rating        | Quality of financial reporting assessment  |
|---------------|--|
| 🟢 Effective   | Unmodified opinion with minimal issues reported to management and those charged with governance                  |
| 🔴 Ineffective | Modified opinion with more than five significant issues reported to management and those charged with governance |

### Audit opinions

The main outcome of an audit is an independent auditor's report issued by the Auditor-General on the financial statements.

There were 39 unmodified audit opinions issued on the financial statements of 18 entities while 29 modified audit opinions were issued on the remaining 29 financial statements for 12 entities. The table below shows the breakdown of the types of audit opinions issued:

| Entities  | Year         | Unmodified Opinion | Modified Opinion |                       |

Section 3.3 contains the qualification issues raised in the Auditors' Reports for the 12 entities.

The abridged financial statements are presented as [Appendix A](#).

## Significant Matters Reported

The Audit Act 1969 requires that the Auditor-General report on significant matters identified during the audit to those charged with governance.

Issues that are classified as medium to high risks are control and compliance weaknesses of such fundamental significance or substantial importance that they require immediate attention by those charged with governance and the line Ministry for priority and prompt actions for resolutions.

Common significant matters noted during the audit are discussed further in [Section 3.1](#) of the report.

## 2.2 Timeliness of financial reporting

To assess the timeliness of acceptable draft financial statements, we have considered the date the draft financial statements were received for audit after allowing for at least 30 days before the legislative deadline (3-6 months following end of financial year) for audit.

| Rating                | Timeliness of draft financial statements assessment  |
|-----------------------|--|
| ● Effective           | Acceptable draft financial statements received within 60 days before legislative deadline    |
| ● Generally effective | Acceptable draft financial statements received within 30 days before legislative deadline    |
| ● Ineffective         | Acceptable draft financial statements received less than 30 days before legislative deadline |

## 2.3 Results Summary

The quality and timeliness of financial reporting for some entities were found to be ineffective, requiring the immediate attention of those charged with governance for prompt resolutions.

The following table summarizes our assessment of the financial reporting processes:

## 3.0 Significant Matters

---

The Audit Act 1969 requires, amongst other things, that the Auditor-General must report on other significant matters, which the Auditor-General wishes to bring to the attention of Parliament.

Various significant matters identified during the audit were communicated, through Management Letters as relevant, to the Chief Executive Officers or those charged with governance for the following entities:

1. National Council for Persons with Disabilities
2. Sugar Industry Tribunal
3. Film Fiji
4. iTaukei Affairs Board
5. Fiji Servicemen's Aftercare Fund
6. National Food and Nutrition Centre
7. Substance Abuse Advisory Council
8. Agriculture Marketing Authority
9. Telecommunications Authority of Fiji
10. Real Estate Agents Licensing Board
11. Fiji Human Rights Commission
12. Fijian Elections Office

In addition, the significant qualification issues for the above entities are discussed in detail in [Section 3.3](#).

It is important to note that the deficiencies detailed in this report were identified during the audit and may have been subsequently resolved. These have been included in this report as they impacted the overall systems of controls for the entities as at the dates of the financial statements.

### 3.1 Common Findings Related to Internal Controls

Common internal control weaknesses relate to the following key areas:

- Cash and revenue management
- Journal voucher documentation and reconciliations
- Procurement of goods and services
- Payroll control
- Management of assets

#### Cash and Revenue Management

- Monthly bank reconciliation statements were either not prepared or if bank reconciliations were performed, they were untimely and inaccurate.
- Receipts were not banked intact as deposits could not be traced to the bank statements. This indicated that receipts may have been issued but could not be substantiated due to missing records.
- Petty cash were replenished with more than above the approved limit.
- Daily or regular banking of receipts were not done.
- Accurate and timely cash flow analysis were not performed.
- Stale cheques and dishonoured cheques were not appropriately dealt with.
- Lack of details and audit trail on undeposited funds at balance date.

- Cash records such as lodgement books, cheque books and cashbooks were not properly maintained hence were not provided for audit.

### **Journals and Account Reconciliations**

- Inadequate documents to support the journal entries posted to the General Ledger.
- Reconciliation statements for key accounts areas such as payroll, trade and other receivable, accounts payable and VAT were not prepared. Reconciliation statements were not reviewed or if reviewed, were not done independently and in a timely manner.

Journals without appropriate documentation and oversight increase the risk of errors and fraudulent reporting. Improvements are required in the accounts reconciliation process including performing timely reconciliations that are independently reviewed.

### **Procurement of Goods and Services**

Purchases and payments processes were not complied with as follows:

- Local Purchase Orders were not always issued for purchases.
- Competitive quotations were not obtained in most cases.
- Payment vouchers and supporting documents were not always stamped “PAID”.
- Payments were not always supported with proper and appropriate documentations.
- Supporting documents for payment vouchers were missing in some cases.

As records such as payment vouchers and supporting documentations have been misplaced, some payments made during the period under audit could not be substantiated.

Improving or complying with established internal controls for the purchases and payments’ function are crucial to minimizing the risks of unauthorized purchases and fraud.

### **Payroll**

- Payments of wages were not supported with approved timesheets/timecards.
- Employee details such as employment agreements, salary rates and positions, and leave schedules were not maintained/updated in staff personnel files.
- Personnel files and pay run reports were not always provided for audit verification.
- Salary reconciliations were not performed in some cases or, if prepared, were not reconciled with the general ledger and financial statements resulting in variances.

Weaknesses in payroll controls could result in incorrect payments of salaries and wages. As employee salaries/wages and related costs represent the largest portion of operational expenditures for entities, effective payroll controls are crucial.

### **Management of Assets**

- Annual board of surveys to determine the physical existence of fixed assets and whether assets were in good condition were not always carried out or were not performed in a timely manner.
- Fixed asset were not always tagged making it difficult to locate and ascertain their existence.

Weaknesses in controls around management of fixed assets could result in assets being stolen or used for unauthorized purposes.

### 3.2 Common Significant Matters

- **Submission of financial statements for audit** – Significant delays in the submission of draft financial statements for audit, which is discussed in detail in [Section 1.3](#) of this report. Lack of accounting capacity was identified as a contributing factor to the late preparation of draft financial statements that comply with the requirements of the relevant accounting standards.
- **Compliance with the accounting standards** – Non-compliance with the requirements of the applicable financial reporting framework such as International Accounting Standards or International Financial Reporting Standards for Small and Medium-sized Entities.
- **Limitation of scope** – Lack of sufficient appropriate supporting documentations to substantiate the account balances reported in the financial statements. The absence of records created a significant limitation on the scope of the audits and restricted the performing of necessary audit procedures.
- **Records management** – Records management for a few entities were found to be poor resulting in missing financial and related records to support the balances reflected in the financial statements.
- **Asset management** - The accuracy and completeness of the Fixed Assets Registers/Schedules could not be determined as the balances in the General Ledger and the Fixed Assets Schedule did not reconcile. Other significant issues noted were:
  - ❖ Asset capitalization policy not documented to set the threshold for recording expenditures related to property, plant and equipment.
  - ❖ Reconciliation of certain accounts in the balance sheets were not performed.
  - ❖ Impairment assessment on assets and receivables not carried out.
  - ❖ Incorrect recording of work in progress and capitalization of assets. Assets were incorrectly recorded in the fixed assets schedule.

- **Policies and procedures** - Absence of clear policies to support the development of strategic and operational plans. These included but not limited to business plans, risk management plans, disaster recovery plans.

For the years audited, the audit noted that policies and procedures were not reviewed nor updated for several entities.

- **Corporate Governance** - Certain entities as highlighted in this report did not have in place appropriate corporate governance structures as follows:
  - ❖ Absence of internal audit function.
  - ❖ Absence of risk management policies.
  - ❖ Absence of disaster recovery and business continuity plans.
  - ❖ Meeting minutes were not signed or properly documented.

- **Financial Reporting** - Most entities did not have a structured financial reporting system. This was evident in the number of errors and omission identified in the draft financial statements submitted for audit.

Common high-risk issues noted were:

- ❖ Journal voucher system with supporting documentations were not maintained.

- ❖ Key account reconciliations were not performed.
  - ❖ Level of key responsibility and accountability for financial reporting were not defined.
  - ❖ Limited capacity to deal with new or emerging accounting standards or complex accounting treatments.
  - ❖ Non-compliance with accounting policies.
  - ❖ Incorrect recording of transactions.
  - ❖ Lack of audit trail.
- **Accounting for government grant** – There was lack of understanding on the accounting treatment for government grant in accordance with the requirements of International Accounting Standards. In particular, the following issues were noted:
    - ❖ Non-compliance with the requirements of the IFRS for SMEs when accounting for government grant that resulted in the incorrect recording of balances in the financial statements.
    - ❖ Details and records of all government grants received and utilized were not properly maintained.
    - ❖ Variances noted between government grant recorded as deferred income liability account and independent reconciliations.
    - ❖ Copies of signed grant agreements were not maintained by some entities.
    - ❖ Accounting policy on deferred income reported in the financial statements were not in compliance with the IFRS for SMEs on the recognition and measurement of government grants; and
    - ❖ Certain disclosures required under IFRS for SMEs in relation to government grant were not made in the financial statements.
  - **Value Added Tax (VAT)** – Internal controls and accounting for VAT were found to be weak. VAT reconciliations were not performed or, if prepared, were not reconciled with the general ledger and financial statements resulting in variances.

### 3.3 Qualification Issues

Due to the absence of documentation to appropriately support the various balances reflected in the financial statements, we were unable to determine the necessary adjustments to correct the financial statements.

| Entities   | Qualification Issues  |
|--|---|
| National Council for Persons with Disabilities                       | Modified (Disclaimer) Opinion   |
| <b>National Council for Persons with Disabilities - 2019 to 2021</b> | The financial statements are required to be prepared in accordance with the International Financial Reporting Standards for Small and Medium-sized Entities (“IFRS for SMEs”). The Council is yet to comply with IFRS for SMEs as required for general purpose financial statements.  |
| <b>Sugar Industry Tribunal</b>                                       | <b>Modified (Qualified) Opinion</b>   |
| <b>Sugar Industry Tribunal - 2019</b>                                | <p>1. The Tribunal has not provided evidence of impairment assessment carried out on its Receivable balance of \$199,848 as reported in the Statement of Financial Position. In addition, the Receivable from Near Infrared Project (NIR) as reported in the financial statements of \$181,722 was disputed by the Debtor through the Debtors Confirmation of balance. As a result, the audit was unable to ascertain whether the Trade and Other Receivables balance of \$199,848 is fairly stated in the financial statements as at 31 December 2019.</p> <p>2. The Tribunal did not comply with the requirements of IFRS for SMEs Section 24 – Government Grants by not recognizing the Deferred Income balance of \$17,279 in income in the year it was received as the grant does not impose specified future performance conditions. In addition, the accounting policy on Deferred Income as disclosed in the financial statements is not in accordance with section 24 of the IFRS for SMEs. As a result, the audit was unable to ascertain whether the Deferred Income balance of \$17,279 is fairly stated in the financial statements as at 31 December 2019.</p> <p>3. The Tribunal did not provide Value Added Tax (VAT) reconciliations to support the VAT Receivable balance of \$8,128 recorded in the Creditors and Accruals account in the financial statements. As a result, the audit was unable to ascertain whether the Trade and Other Payables balance of \$24,099 is fairly stated in the financial statements as at 31 December 2019.</p> <p>4. Internal controls over the petty cash, payments, fixed assets, updating of general ledger and retention of source documents for an appropriate audit trail were generally found to be weak. These internal control weaknesses if not addressed on a timely basis may result in material misstatements and possible financial losses or fraud in the future.</p> |

| Entities                              | Qualification Issues  |
|---------------------------------------|---|
| <b>Sugar Industry Tribunal - 2020</b> | <p>1. The Tribunal has not provided evidence of impairment assessment carried out on its Receivable balance of \$217,106 as reported in the Statement of Financial Position. In addition, the Receivable from Near Infrared Project (NIR) as reported in the financial statements of \$181,722 was disputed by the Debtor through the Debtors Confirmation of balance. Furthermore, the Tribunal did not provide Value Added Tax (VAT) reconciliations to support the VAT Receivable balance of \$17,015. As a result, the audit was unable to ascertain whether the Trade and Other Receivables balance of \$217,106 is fairly stated in the financial statements as at 31 December 2020.</p> <p>2. The Tribunal did not comply with the requirements of IFRS for SMEs Section 24 – Government Grants by not recognizing the Deferred Income balance of \$4,081 in income in the year it was received as the grant does not impose specified future performance conditions. In addition, the accounting policy on Deferred Income as disclosed in the financial statements is not in accordance with section 24 of the IFRS for SMEs. As a result, the audit was unable to ascertain whether the Deferred Income balance of \$4,081 is fairly stated in the financial statements as at 31 December 2020.</p> <p>3. The Tribunal recorded Property, Plant and Equipment of \$14,739 in the Statement of Financial Position. Internal controls function of the Fixed Assets was found to be weak as the impairment loss of \$3,329 was not accounted for in the books of accounts and financial statements, Fixed Assets with total value of \$1,600 included in the valuation report cannot be traced to the fixed assets schedule, fixed assets with total written down value of \$3,122 cannot be traced to the valuation report, no board of survey and physical verification of assets was done and Fixed Assets were not tagged. As a result, the audit was unable to ascertain whether the Property, Plant and Equipment balance of \$14,739 is fairly stated in the financial statements as at 31 December 2020.</p> <p>4. Internal controls over the petty cash, payments, fixed assets, updating of general ledger and retention of source documents for an appropriate audit trail were generally found to be weak. These internal control weaknesses if not addressed on a timely basis may result in material misstatements and possible financial losses or fraud in the future.</p> |
| <b>Film Fiji</b>                      | <b>Modified (Qualified) Opinion</b>   |
| <b>Film Fiji - 2023</b>               | The financial statements include Value Added Tax (VAT) Receivable balance of \$60,163. An unreconciled balance of \$25,133 exists between the VAT Receivable balance and the Statement of VAT Account. As a result, I was unable to ascertain the accuracy of VAT Receivable balance recorded as at 31 July 2023.   |

## 4.0 Audit Conclusion and Recommendations

---

### 4.1 Audit Conclusion

Modified audit opinions were issued on 21 financial statements which reflected negatively on the 8 entities concerned. Urgent attention should be given to address matters which have been highlighted in the Auditors' Reports including the significant matters raised in Section 3 and detailed in the Management Letters.

Quality and timely financial reporting were major concerns that need to be addressed by those charged with governance. Delayed submissions of financial statements for audit prevented the Auditor-General from giving opinions on time and informing Parliament and other stakeholders of the outcome of the audits.

Good governance and internal controls were lacking because regulations, formal policies and procedures to govern all aspects of operations were not reviewed and updated for a long period of time or that they did not exist. In addition, poor records management resulted in missing financial records.

The monitoring role for those charged with governance should be strengthened to improve financial accountability. Preparation of draft financial statements for audit will become challenging with lapse of time from the end of the financial year and with movement of staff. Financial statements must be prepared annually by management and to those charged with governance.

### 4.2 Recommendations

1. Immediate attention should be given to address the matters discussed in Section 3. Those charged with governance should ensure that these matters are resolved at the earliest.
2. Improving the quality and timeliness of financial statements should be given the utmost priority. The quality of financial reporting can be improved by employing suitably qualified accountants that are capable of preparing and presenting draft financial statements on time and in accordance with the requirements of the applicable financial reporting framework.
3. Formulation of strategic plans and annual business plans including risk management framework and plans should be given due consideration. Regulations, policies and procedures to support effective governance and internal controls should be regularly reviewed and kept up to date or established for those that do not exist.
4. Maintaining accurate and complete fixed assets records is important to ensure effective management of property, plant and equipment and accurate financial reporting. In addition, there should be a clear plan for asset valuations to ensure that the process is appropriately managed and documented.
5. Line Ministries should strengthen their monitoring and provide necessary support to ensure that financial statements are submitted for audit on a timely basis and significant audit findings are addressed in a timely manner.
6. Line Ministries must enforce the requirements for Entities to submit annual reports which include the auditor's report and audited financial statements as required by the respective legislation and the Financial Management Act 2004.

The Authority recorded an increase in Net Loss by \$9.7 million or 38% in 2023. The movement was largely attributed to the increase in Operating Expenses by \$22.2 million or 35% in 2023, which were mainly due to:

- Increased Fuel and Oil expenditure by \$2.1 million or 100% due to high fuel price and increase in power disruptions resulting in high fuel & oil consumption for the generators used in pumping stations & Water Treatment Plant.
- Increased Plant and Equipment Hire expenditure by \$8.4 million or 74% due to the reversion of plant hire rates from COVID-19 rates to normal rates and service disruptions such as the major Waila Treatment Plant planned shutdown, water crisis and flash flooding which caused the drastic increase in plant hire.
- Increased Professional Fees expenditure by \$1.6 million or 522% due to increased consultancy project management & construction supervisory works expenses for various major outsourced projects.
- Increased Repairs and Maintenance expenditure by \$8.3 million or 46% due to multiple service disruptions because of aged infrastructure (burst mains & leakage), unfavourable weather conditions and increase in project related expense such as Project Management costs, electrical & mechanical upgrades, meter replacement programme and service pipe replacement works.

Net Assets decreased by \$35 million or 3% in 2023 compared to 2022. This was mainly due to the following:

- Increase in Deferred Revenue – Capital Grant by \$29.2 million or 4.5% in 2023 since the Capital Grant received was marginally less compared to the Deferred Revenue realised and released to Statement of Comprehensive Income.
- Increase in the utilization of funds allocated for Fiji Urban Water & Wastewater Management Project.

Net Assets increased by \$438,969 or 2% in 2023 compared to 2022. The increase in Net Assets was mainly due to the increase in market value of investments held at Unit Trust of Fiji and an increase in Departure Tax Receivable balance. The increase in the Departure Tax Receivable was due to the re-opening of international borders with an increase in the number of passengers travelling.

In 2020, the Council recorded a Net Operating Loss of \$9.5 million as compared to a Net Loss of \$2.9 million in 2019. The main reason was that sporting facilities were closed in FY 2020 due to COVID-19 resulting in less Income collected during the year and an increase in Other Operating Expenses by \$5.4 million. However, the Council carried out a revaluation exercise on its Land and Building and Revaluation Gain of \$44.6 million was recorded in the accounts.

In 2021, the Council recorded a Net Operating Loss of \$3.4 million compared to a Net Operating Loss of \$9.5 million in 2020. The decrease in Net Loss was due to the reduction in Total Expenditure by \$6.6 million or 68% as the Council had implemented some cost cutting measures due to the impact of COVID in its operations.
