

PARLIAMENT RESPONSE - WRITTEN QUESTION

(Monday, 25 May 2026)

81/2026 Hon. Premila Kumar to ask the Minister for Finance, Commerce and Business Development – Can the Minister inform Parliament on the following:

- a) a list of all commenced and continuing Capital Projects for the financial year 2025-2026 to date; and**
- b) indicate the status, that is, whether they are completed and/or still work in progress.**

-
1. In the 2025-2026 financial year, a total sum of \$926.6 million was allocated for capital expenditure. Of this budget, a sum of \$171.5 million was provided under SEG 8 - Capital Construction, \$54.9 million under SEG 9 - Capital Purchases, and \$700.3 million under SEG 10 – Capital Grants and Transfers. These expenditures represent investments in fixed assets with an economic life extending over several years and are aligned with the development priorities outlined in the National Development Plan.
 2. Over the years, the Fiji Government has continued to approve budgetary provisions to implement a wide range of capital projects across key sectors, including roads, bridges, transport, health, education, water and wastewater. These projects include both newly commenced initiatives funded within a single financial year and ongoing projects carried forward from previous financial years.
 3. Capital investments remain a core pillar of the Government's development agenda, aimed at strengthening national infrastructure, improving service delivery, and supporting sustainable economic growth. These investments are carefully prioritised to meet the evolving needs of the people.

4. The table below provides an update on all capital projects that have commenced or are continuing during the 2025–2026 financial year, together with their respective implementation status. This includes identifying projects that have been completed to date and those that remain ongoing, reflecting the Government's commitment to transparency, accountability, and the timely delivery of development outcomes.

Table 1 – Capital Projects Implementation Status

A. General Administration Sector

H	P	A	S	Allocation Name	Budget (\$)	Status
Head 1 - Office of the President						
1	1	1	8	Construction - Executive Office and Administration Block	978,261.00	In Progress
